

## Special Issue on ICMDT 2011

### *Invitation to the Authors of the Article in ICMDT 2011 Proceedings*

Dear Participants of ICMDT 2011,

The interested authors of the paper presented in ICMDT 2011 Proceedings are invited to submit full paper to the Journal of Journal of Advanced Mechanical Design, Systems, and Manufacturing (JAMDSM), Special Issue on ICMDT 2011 – Advances in Manufacturing, Machine Design and Tribology, which will be published on January, 2012, without any additional charge.

The deadline of submission is **July 31, 2011**. All the papers submitted will be subject to the reviewing process, and the accepted ones will be published.

The Journal is electronic one published by JSME. Please visit the following URL:

<http://www.i-product.biz/jsme/eng/index.html>

The procedures for submission are summarized as follows:

1. Click “▼Downloading the template/manual” and download the template.
2. Make the manuscript using the template in accordance with the instruction.
3. Click “▼Online Submission” and press “User Registration and Log-in”.  
**Note:** User registration is required if you don't have user ID and Password.
4. Log-in (JSME system log-in), and click “submit your Manuscript”.
5. Select “Special issue on ICMDT 2011 – Advances in Manufacturing, Machine Design and Tribology (Journal of Advanced Mechanical Design, Systems, and Manufacturing)” which is shown in the lower column.  
**Note:** If you select the ordinary Journal name written in blue letters, the publishing fee will be charged to the author.
6. Select “Manuscript Type” as “Original Paper (Full Paper)”, and push “submission form entry” button.
7. Input necessary information, and upload the manuscript (pdf file).

For further inquiry, please e-mail directly to Dr. Fumihiro ITOIGAWA (E-mail: [itoigawa.fumihiro@nitech.ac.jp](mailto:itoigawa.fumihiro@nitech.ac.jp)), the chief editor of this special issue on ICMDT 2011.

Sincerely,

Masaya HAGIWARA  
ICMDT 2011 Conference Chair
