

**Application form for a Society to join
the Asian Pacific Association for Biomechanics (APAB)**

Date: 23 July 2015

- Country: Hong Kong, China
- Name of the Society: Hong Kong Society of Biomechanics
(Web site) www.hkbiomechanics.org (coming soon)
- Representative person: Ming ZHANG
(E-mail) ming.zhang@polyu.edu.hk

• **The history of the society**

Hong Kong Society of Biomechanics was initially formed in July 2015. The Society is in the forming stage.

• **The membership of the society**

There are 15 Executive Committee Members currently. Membership application is opening. We expect there are around one hundred members from local universities and institutions.

• **The benefits of association to APAB**

Although this is a newly established, the Society groups most researchers related to biomechanics in Hong Kong. This is a link between APAB to Hong Kong researchers.

• **Relationship to Biomechanics**

The members of the Society will be academics and research students, who is frontier to biomechanics-related research, education and application.
