

**Application form for a Society to join  
the Asian Pacific Association for Biomechanics (APAB)**

Date: 28 August 2015

- Country: Malaysia
- Name of the Society: Malaysian Society of Biomechanics (MSB)  
(Web site) NA
- Representative person: Dr. Juliana Usman (Secretary – MSB)  
(E-mail) juliana\_78@um.edu.my

• **The history of the society**

The Malaysian Society of Biomechanics was initially established in 2014. It was then officially registered with the Registry of Malaysia in 2015. The aim of the establishment of the society is to develop and expand the theories and practical in the field of biomechanics in Malaysia and to strengthen the networking between the practitioners of biomechanics.

• **The membership of the society**

The membership of the society is open to all Malaysians who practices and interested in the field of biomechanics.

• **The benefits of association to APAB**

We would be honoured to the included as a member in the Asian Pacific Association for Biomechanics or APAB to expand our networking with our colleagues in the Asian Pacific region which will enable our members in exchanging and sharing of knowledge in the field of biomechanics and to collaborate in many research projects.

• **Relationship to Biomechanics**

Our members comprising of those who have been actively doing research in the field of biomechanics, have interest in the field of biomechanics and/or teaching the theories and practical of biomechanics.
