

Design & Systems

次回(第20回)設計工学・システム部門講演会のご案内

開催地:産業技術総合研究所 臨海副都心センター(お台場, 東京)

開催日: 2010年10月27日(水)~29日(金)

The image shows a banner for the AIST Tokyo Waterfront website. On the left is the AIST logo with the text "National Institute of Advanced Industrial Science and Technology AIST". The main title is "AIST TOKYO WATERFRONT 臨海副都心センター". Below the title are navigation links: HOME, サイトマップ, and ENGLISH. The banner is divided into two parts: a photograph of the modern, glass-and-steel building on the left, and a site map on the right. The map shows the building's location relative to the Rinkai Line (臨海副都心線), the Ariake Promenade (副都心広場), and various landmarks like the Ship Science Museum (船の科学館), Tokyo International Exchange Center (東京国際交流館), and the Bio-IT Fusion Research Building (バイオ・IT 融合研究棟). The building itself is highlighted with a red box and labeled "臨海副都心センター".
