

Call for Paper

Mechanical Engineering Journal
Special Issue on "Recent advances in Research on Mechanics of Materials
by Young Researches"
Vol.3, No.4 (August 15, 2016)

1. Focus

We are making a call for paper for Special Issue on "Recent Advances in Mechanics of Materials", which is the same theme as 2015 M&M symposium for Young Researchers held in Ise, Japan on August 2015. We invite the papers which include the similar but the enhanced contents of the papers published in the conference, covering a wide variety of topics on mechanics of materials such as solid mechanics, fracture, experimental approaches and numerical simulations on conventional and advanced materials.

Submission Deadline: October 30, 2015

Publication: Vol.3, No.4 (August 15, 2016)

2. Instructions for Submission rules

(1)Preparation of Manuscript

Check the following URL and download the template.

<http://www.jsme.or.jp/publish/mej/for-authors.html>

(2)Peer-Review System

The online submission and peer-review system in Bulletin of the JSME will be processed with online system via "Editorial Manager".

(<http://www.editorialmanager.com/journal-jsme/>)

Note: Please select a "Section/Category" on Editorial Manager, "Special Issue on Recent advances in Research on Mechanics of Materials by Young Researches 2015 (MEJ:SMM)".

(3)Contact details
