Dear MoViC 2020 Colleagues,

The organizing committee of MoViC 2020 have been carefully monitoring the global prevalence of COVID-19. As the world situation in the near future is beyond prediction, the committee have decided to postpone the schedule of MoViC 2020 for 3 months. The revised schedule is as follows:

Full Paper Submission: July 22<sup>nd</sup>, 2020

Conference: December 8<sup>th</sup> – 11<sup>th</sup>, 2020 (Conference site is changeless)

The rest of new schedule (Acceptance Notification, Final Paper Submission, Early Bird Registration): to be announced

Though this decision is disappointing all of us, it is essential to ensure everyone's safety. The organizing committee would like to ask you to understand our situation and continue to contribute to MoViC 2020.

Sincerely yours,

Toru WATANABE  
Chair of the MoViC 2020
