

First announcement

*International Workshop on Environmental Engineering 2019 (IWEE2019) &
2019 Symposium on Environmental Engineering (2019SEE)
June 25-28, 2019, Okinawa, Japan*

Welcome address

We cordially invite you to participate in the International Workshop on Environmental Engineering 2019 (IWEE2019) and the 2019 Symposium on Environmental Engineering (2019SEE) that will be held in Okinawa, Japan, on June 25-28, 2019, at Bankoku Shinryokan Resort MICE Facility where the G8 Summit 2000 in Okinawa was held. The events are organized by the Division of Environmental Engineering, Japan Society of Mechanical Engineering (JSME).

In this conference, we will conduct not only the dispatch of information and the debate regarding the effort and the research development of various environmental problems around the world, but also the discussion regarding the sustainable city formation and the trend of regulations and standards in the future. Also, in the IWEE2019 poster session, 2019SEE presentation awards for young researchers and students will be given after careful consideration. We look forward to your active participation.

Thanks to its beautiful location surrounded by the coral reef and meeting point of different peoples as the place of G8 Summit, Okinawa will provide you with a feeling of wonderfulness of nature and excellent traditional art and cuisine, all offered with renowned warmth and hospitality.

We look forward welcoming Technical Tour in the afternoon on June 25, Opening ceremony on June 26, Banquet at the Bankoku Shinryokan on June 27 and Excursion to Okinawa Churaumi Aquarium with lunch at Okinawa traditional house in the afternoon on June 28.

Details are shown in the web: <http://www.jsme.or.jp/env>

Topics

1. Noise and vibration control engineering
2. Recycling and waste treatment technology
3. Technology for the conservation of air and water
4. Environment friendly energy technology
5. Special topics: (1) Sustainable city, (2) Future standards and regulations

Local Organizing Committee

Takehiko Sato, Chair
Yasushi Takano, Vice Chair
Masaaki Yamazato
Akihiko Arimitsu
Hiromitsu Hamakawa
Takashi Fujiki
Mai Ogura
Kuniko Urashima
Keisuke Sekiguchi
Shigeru Bando

Bankoku Shinryokan Resort MICE Facility

Symposium Venue

Bankoku Shinryokan Resort MICE Facility (1792 Kise, Nago city, Okinawa: 20 minutes from Nago city by car). It is located near the beach and the underwater observatory. Transfer buses to and from Nago city are available in mornings and evenings. It takes about 1 hour and 45 minutes from Naha Airport to Nago city by expressway bus.

Accommodation

(In Nago city)

Hotel Yugaf Inn Okinawa

Hotel Route-Inn Nago

(In the neighborhood of the symposium venue)

The Busena Terrace (located next to the symposium venue: Bankoku Shinryokan Resort MICE Facility)

Okinawa Suncoast Hotel (5 minutes from the symposium venue by car)

The other hotels are also available in the Nago city and in the neighborhood of the symposium venue, but the transportation service is available only from the above-mentioned hotels.

Presentation/Abstracts

IWEE: Language is English. Length of abstract is A4 1-2 pages, format will be delivered later.

SEE: Languages is English or Japanese. Length of abstract is A4 2-4 pages.

Important date

February 1, 2019	Presentation submission deadline
March 1, 2019	Notification to authors
March 31, 2019	Early registration deadline
April 15, 2019	Abstract deadline
May 15, 2019	Announcement of scientific program
June 15, 2019	Late registration deadline
