Participating
Company
exhibitors

ARTNER CO., LTD. / USUI CO., LTD.
KYOCERA Corporation
TOSHIBA CORPORATION
Toyo Engineering Corporation

- Contents -

15 : 00-15 : 15 Overview
15 : 15-17 : 50 Internship Discussion
17 : 50-18 : 00 Questionnaire

※Finish after completing the questionnaire.
※Discussion will proceed in Japanese.
Japanese ability is not required. However
there is a limited number of Japanese
interpreters.

- Internship Roundtable Talk -

Domestic companies that employ foreign students majoring in mechanical
engineering participate. Because of the small round-table discussion format,
you can learn more about the "work contents" of each company. Many
companies offer internships for international students.

※Intended for students who will graduate in 2021. Students who plan to graduate or have
graduated by 2021 can apply. JSME membership is not needed.
