

Application form for LEM21 2007

Title of the paper

Name NAME¹, Name NAME², Name NAME³, ... (Given name should be lowercase except for the first letter, which uses uppercase, and the family name should be uppercase.)

¹Affiliation, ²Affiliation, ³Affiliation, ...

Abstract

An abstract of **about 400 words in English in one page of A4 size** is required for every paper. The top, bottom, left and right margins should be 20 mm. It should be typed in Times New Roman 10 pt normal.

All abstracts must include the title of the paper, names and affiliations of the corresponding author and co-authors, full contact address, phone and facsimile numbers, E-mail address, concise statement of objectives, clear description of achieving the objectives, precise conclusions of the findings and key words of the covered areas. One of organized sessions or technical topics should be specified in the abstract.

The first author who is eligible for the outstanding young researcher award is recommended to write his or her birthday. The application form with the abstract formatted in **PDF without any security settings** should be submitted to the following E-mail address no later than **March 31, 2007: lem21.jsme@gmail.com**, LEM21 Program Committee, Kyushu Institute of Technology. The ID number will be informed later.

Keywords: word1, word2, word3, word4, word5
