

JSME iDECON/MS 2021 CALL FOR PAPERS

10th International Conference on Design and Concurrent Engineering
September 3-4 2021, Chiba University, Chiba, JAPAN

Organized by
The Japan Society of Mechanical Engineer, Design and System Division
The Japan Society of Mechanical Engineer, Manufacturing Systems Division

Objective:

Originated in Malaysia, enhanced under the bilateral collaboration between Malaysia and Japan, iDECON is now expanding to the collaboration among countries in East and Southeast Asia. iDECON 2021 will be held from September 3rd to 4th in Chiba, Japan, to provide an international forum for researchers, engineers, industrial practitioners. A wide variety of topics related to design, concurrent engineering and manufacturing systems are welcome in iDECON to facilitate sharing recent research results and trends among the participants and to explore the future directions.

Topics (but not limited to):

Whole themes of design, concurrent engineering and manufacturing systems

- CAD/CAM/CAE
- Rapid Prototyping
- Reverse Engineering
- Automation and Intelligent Systems
- Green Design
- Reliability in Design
- Sustainable Design and Manufacturing
- Operation Management
- Lean Manufacturing
- Supply Chain Management
- AI/IoT Application
- VR/AR Application
- Kansei/Emotional Design
- Educational Engineering
- Human Interface and Usability

Important Date:

March 26, 2021 Abstract Submission Deadline
April 16, 2021 Full Paper Submission Deadline
May 21, 2021 Notification of Paper Acceptance
June 4, 2021 Final paper Submission Deadline
August 6, 2021 Early Registration Deadline
September 3-4, 2021 Conference

Committees:

Organizing Committee Chair: Teruaki Ito, Okayama Prefectural University
Steering Committee Chair: Tetsuro Ogi, Keio University
Program chair: Masato Inoue, Meiji University
Program Co-Chair: Eiji Morinaga, Osaka Prefecture University
