**Official Conference Banquet**
The official conference banquet is held at InterContinental Yokohama Grand adjacent to the conference venue.

**Technical Tour**
Technical tour is held on December 4th of fifth day of the conference - visiting Isogo Thermal Power Plant (J-POWER) and Hakkeijima Sea Paradise and Blue Carbon (Seibu Group). Technical tour fee is 5000 JPY. Lunch is taken at Hakkeijima not included meal fee. participants limited in 80.

**Exhibition**
The exhibition is held on the fifth floor of the conference venue. Exhibition booths of leading companies in the energy and environmental industries wait for your visit. Guideline and application forms for exhibition and advertisement can be found on the official website.

**Location: Yokohama**
Yokohama is Japan's second largest city, located less than half an hour south of Tokyo by train. Yokohama is known for its international atmosphere, based on its unique history as Japan’s first “treaty port.” Yokohama’s port was one of the first to be opened to foreign trade in 1859. Consequently, Yokohama quickly grew into one of Japan’s major cities. Until today, Yokohama remains popular among expats, has one of the world’s largest chinatowns and preserves some former Western residences.

**Venue: PACIFICO Yokohama Conference Center**
PACIFICO Yokohama, a world-class convention complex is located on the waterfront of “Minato Mirai 21”, a futuristic town in Yokohama.

Aims and Scope

ICOPE (International Conference on Power Engineering) is an international conference targeting a vast area of power and energy systems studies with the exception of nuclear power generation. The conference is drawing interest as an ideal place to present on a variety of studies such as developments of industrial technologies, researches on measuring methods and evaluation tools, and feasibility studies. The Conference aims to provide a platform for promoting collaborations among professional societies and enhancing technical exchanges in the power engineering community. The Conference will include technical sessions, special lectures, social activities, and exhibition.

Topics

ICOPE-15 will cover both fundamental and applied topics in power engineering including:
1. Power Generation Systems
2. Distributed Energy Systems
3. Fuel Production and Utilization
4. Advanced Combustion Technology
5. Boilers
6. Steam Turbines
7. Gas Turbines
8. Generators
9. Components, Equipment and Auxiliaries
10. Operations and Maintenance
11. New Materials for Energy Systems
12. Environmental Protection
13. Renewable Energy
14. Energy Storage and Load Leveling
15. Heat Pump Systems
16. Hydrogen and Fuel Cells
17. Economic and Environmental Aspect
18. Safety and Security
19. Experimental and Measuring Technique
20. Electric Vehicle (EV)
21. Smart City
22. Energy in Europe
23. High-Efficiency Power Generation
24. Thermal Hydraulics & CFD

Plenary Lecture

Dr. Akira Tateno (IHI Corporation)
"Renewable Energy Development Efforts in IHI Corporation"

Prof. Zhihua Wang (Zhejiang Univ.)
"Challenge of Coal Combustion and Technology Development for Multi-pollutant Emission Control"

Mr. Frank L. Michell (American Electric Power)
"Market Trends and Electricity Demand in the United States"

Prof. Piero Colonna (Delft Univ. of Tech.)

Organizer / Committee / Support

Organized and Sponsored by
The Japan Society of Mechanical Engineers

Co-Organized by
The Chinese Society of Power Engineering
The American Society of Mechanical Engineers

Organizing Committee
Chairman Kazuaki Kama (IHI Corporation)
Co-Chairmen Dr. Masashi Akiba
(Termal and Nuclear Power Engineering Society)
Mr. Masato Nobutoki (City of Yokohama)

Steering Committee
Chairman Prof. Masahiro Osakabe
(Tokyo Univ. of Marine Science & Tech.)
Co-Chairmen Mr. Frank L. Michell(American Electric Power)
Prof. Mingjiang Ni (Zhejiang University)

Members
Mr. Atsushiro Hanatani (IHI Corporation)
Prof. Takao Nakagaki (Waseda University)
Mr. Naoki Shibukawa (Toshiba Corporation)

Secretary General Dr. Yuso Oki (CRIEPI)
Dr. Tomohiro Asai (MHPS, Ltd.)
Mr. Osamu Furuya (Toshiba Corporation)

Supported by
City of Yokohama
Yokohama Convention & Visitors Bureau
Embassy of the Kingdom of the Netherlands in Tokyo

Registration

Participation is open to all persons interested in this conference. All participants are requested to register online in advance or on-site at the registration desk at the venue. All presenters are required to register in order to make a presentation by no later than August 31st, 2015.

Pre-registration Deadline (Early) September 30, 2015
Regular Registration Starts October 1, 2015
Pre-registration Deadline (Regular) October 31, 2015

Online registration system is available on the official website, http://www.jsme.or.jp/pes/ICOPE-15/.

*Fees for accompanying person (up to 2 persons)
  - Registration 5,000 JPY (per person)
  - Banquet 10,000 JPY (per person)
  - Site tour 5,000 JPY (per person)

**Inclusions:
The registration fee for Regular Participants and Student includes:
Session Participation, Conference Kit, Welcome Party, Coffee Break.
The registration fee for Accompanying Persons includes:
Welcome Party, Coffee Break.
